REGISTRATION

Register through the agency's City / County Manager's Office then, at

www.mmanc.org

Emerging public sector leaders connecting one-on-one with local government senior leaders.

What do I need to register?

You need to be a pair! Interested parties must register in pairs — one emerging leader with one executive leader.

Where and how do I register?

Contact your City/County Manager's Office to see if a registration process is in place. Once approved and/or paired (emerging and executive leader) register at www.mmanc.org

What do I bring?

Bring plenty of business cards. This will be a high energy event!

What is an Emerging Leader?

An emerging leader is an individual who has demonstrated their passion for public service and is seeking career growth in the public-sector.

What is an Executive Leader?

Executive Leaders are City/County Managers, Assistant City Managers, Department Heads, Deputy Directors, Agency Executives, and those with decision making authority, who lead strategy, and influence organizational direction.
